Hi Lorena,

We just got out of our Chamber board meeting and Danny Salas announced that we are going to have a whole lot of visitors this Saturday and he said that you are actively involved with this effort of showing them around. Elise and I would like to see the place nice and tidy and does the PBID have budget to get the Downtown windows washed? I'm also concerned about the weeds popping out everywhere (as noted in the previous email) and perhaps the PBID could get the Beacon House Boys to knock these down by Saturday? Can you pop into Elise's office today and maybe you guys can work together to get some of the major eyesores taken care of?

Thanks,
Augie

Yes - I will call Gary Dwight and ask him to have the owners cut the weeds.

HI -

Sorry to bother you and this is just too much and people have been asking me about it.... This building is caddy-corner from the Port on 5th and Palos Verdes.

Elise - Recently the owners of this property came and got support from the chamber to build a new apartment building. Do you have a contact to have them cut their weeds?
Lorena - If the property owner won't do it can we just get Clean SP or Beacon House to do it?

Thanks,
Augie
